Our Mission is Simple

Eats & Treats Cafe is a dedicated gluten free eatery serving up just darn good food, serious BBQ and amazing baked goods from our on-premise bakery in a relaxed, friendly atmosphere. Our food is made from scratch with fresh ingredients, cooked to order and served with love.

The Cafe Story.

The McHenry Family is passionate about good food, especially when it comes to BBQ. In 2007, after learning that the entire family was gluten intolerant, that passion extended to creating fabulous food that also happens to be entirely gluten free. Part of the process included opening Big River Grains, a dedicated gluten free grain and flour business. They then took it a step further in 2012 with the opening of Eats & Treats Cafe, a dedicated gluten free eatery with fabulous food and SERIOUS BBQ. The menu is as eclectic as the Chefs in the kitchen. The atmosphere is relaxed and friendly. The food is made from scratch and served with love. Stop on by and check it out for yourself. We think you will agree...Eats & Treats Cafe is serving up "Just Darn Good Food" period!
